We, the senior class of 1985, dedicate this yearbook to Arla Gray. Arla has been an inspiration to all of us. She has set an example of courage and dedication throughout her school years. She has given 100 per cent of herself to her school, and we are all very proud of her.

A Look At The Class Of 85

The class of 85 is the largest graduating group in our school's history. Our members display a wide variety of talents and interests. Many of our classmates maintain high scholastic averages with 15 members of the Honor Society. Athletic ability abounds with several of our group having received top honors in track and football. Artistic talent is also present. Stephen Arrowood and Vonda Vaughn have won several awards for their singing talents. Yoichi Takechi, a foreign exchange student from Japan, joined our class. All the members of the class of 85 are special.

School Board

Keeping things running smoothly is our Superintendent and School Board, the heart of our school system. Without these people, our school could not exist.

The Board's duties consist of approving an annual budget, determining teachers' salaries, and making decisions on school policies. They are constantly planning and working to improve our school system, not only for today's students, but for tomorrow's students as well.

Homecoming Week

Swap Day

Homecoming week was a busy one. The student council planned a different activity for each day. A prize of 5 dollars was awarded the best participant. Monday was University Day. Trish Duran won for her OSU attire. Tuesday was Swap Day. Stephen Arrowood and Vonda Vaughn were voted the best swappers. Wednesday was Fifties Day. Machielle McDermott best represented the Fifties. Thursday brought out the best in everyone with Dress-Up Day. Jeff Aynes' tux won handsdown. Friday, Spirit Day, was fun for all. Cathi Lane's cute longhorn costume and Kim Dawe's painted face won them the spirit award. The annual Homecoming Parade and pep rally ended the week's activities marred only by a 13-0 loss to Purcell.

It Been fun Knowing you all of these years. I hope we can get together and make it work. I know I have done some pretty stupid things and I'm sorry. I know you have heard this Before and you dont believe it But I am trying to change. I have feelings for you that I have for no other person (guy person) you are one of the weirdest and crazyest guys in eigth grade I know. maybe over the summer we can get together and share our partying ways. Stay sweet, fonky, and crazy & try to control that and you will get everything in life you deserve.
